PRAY FOR ME

(Coming on)

Most things are wrought by prayer that this world dream of. Wherefore let thy voice rise like a fountain for the night and day. For what are men better than sheep or goats that nourish a blind life within the brain? If, knowing God, they lift not hands of prayer, it is because they doubt His power to grant. Both for themselves and those who all their lives are working in His vineyard.

Increase quantities of Lungs and Lungs, no part from the public, but in direct cases. I have a fact as hidden that the famous or the famous. Did Mark Twain ever write a play, with more dramatic in it than the one I have evolved from a set of dramatic principles, and a play that has a husband in support of the allegory that his wife was unconsciously deceiving? It seems that he meant to marry a gentle, refined, and entirely feminine creature, and believed that he had done so, but the honeymoon was not over before he found that his wife had married a man who was a perfect monster. Can you tell by the most delicate Only 50 cents per bottle of Dr. A. J. Stomey, physician and druggist, 11 south side new square, Decatur, Ill.

A St. Louis preacher, never having tasted whisky, bought half a gallon of it to study its effects, in order the better to describe them in the temperance sermon he was preparing. To avoid publicity and accident he looked himself in his study and threw the key out of the window. In less than an hour he was singing and dancing instead of writing, about 1 o'clock in the afternoon he climbed out of his window and slid down the lightning rod, fell into a small barrel, kissed a woman in the street, got kicked by two men at different times, broke a window, stole a dog, sussed a policeman, and got run in. The Judge looked it over and said to him—thirty days—but his church forgave him, and took him back on his solemnly promising that he would hereafter discuss the temperance question from a purely scientific standpoint.—Hurdell

The New York Tribune very concisely and well sums up the political situation since the recent election as follows

The scene has changed. Votes cast within the last thirty days show that the party of reaction is not as near success as it was in the spring of 1880. It holds by safe tenure not a single Northern state. Disusted as much as ever for its shameful conduct, and torn by the greed of its factions, it has left not a man now visible who can be named for the Presidency with a fair outlook. The party of public faith and true regard for labor is more united than it has been since 1868. One sees neither Grant nor anti Grant, third termers nor bosses, stalwarts nor half breeds, but only Republicans, who seek nothing at the South but a free vote and an honest count, who are divided no longer about the currency, the banks or the tariff, who have put down strife about the civil service by a law which the President is enforcing and who are ready to seek by their nomination, not the success of any faction, but the triumph of their ideas and the safety of the country.

Is Fun Better than Physics?

Fun is excellent, a hearty laugh is known the whole world over to be a health promoter, but fun does not fill the bill when a man needs physics, on the other hand people take too much physics. They would be more healthy, live longer and enjoy life thoroughly if they used Dr. Jones' Red Clover Tonic, which cures all blood disorders, indigestion, kidney and liver troubles, nervous prostration and all perfect tonic. Can you tell by the most delicate Only 50 cents per bottle of Dr. A. J. Stomey, physician and druggist, 11 south side new square, Decatur, Ill.

Lincoln this week. She made an attempt
to take poison, but was prevented. This
is the woman who jumped off a train on
the J. B. & W. road, between Champaign
and Bloomington, and broke her leg.

When she was she had a baby with
her. Mrs. Wheeler is making herself
quite notorious. The authorities at Lin-
coln have sent her to Alton. She left

A Time at Monticello.
Lewes Schell, county delegate, accom-
panied by Michael McGinty, Jas. Vead,
John McElroy, Dennis Murray and the
members of the corner band of Division
No. 1, went to Monticello last night and
organized Division No. 2, Ancient Order
of Hibernians. Delegate Schell was as-
sisted in the work of organizing the divi-
sion by the Deatur visitors, and the band
played a number of selections. Below
are the names of the charter members of
the Monticello Division:

President—Patrick McCauley.
Vice President—Thomas Phillips.
Financial Secretary—David Mooney.
Recording Secretary—Ed. McCane.
William McLean, Michael Brady, Fran-
cis McCauley, John Quinn, Richard
Quinn, William Quinn, John Reynolds,
Patrick Lyons and Frank Hardin.
Appropriate speeches were made in
Old-Follows' hall, where the new order
will meet, by Supervisor James M. Gra-
ham, John McElroy and Michael McGinty,
and a fine supper was served at the new
hotel.

The New Factory.
To the Citizens of Deatur.—In order
to simplify the work of raising the stock
and bonds necessary to secure the loca-
tion of the factory of the Fairbanks Sew-
ing Machine Co. at Deatur, the soliciting
committee have deemed it advisable
to address to many of our citizens a cir-
cular letter asking their consideration of
the project, so that each one may meet
the committee with a prompt subscrip-
tion when the books are presented. Be-
lieving every citizen to be personally in-
terested in the project, we desire to avail
us as many as possible of the opportunity to
subscribe. This will involve much time.
We represent the city of Deatur in our
work, and while our private business de-
mands our attention, yet we cheerfully
undertake the task assigned us. What
we ask is, that our citizens fully inform
themselves as to the project before being
ouled on. This will save us much time
and expedite our work. The Belleville
company are not bidding for Deatur,
but Deatur is bidding for the new fac-
tory. This is no personal matter of ours,
but in the success of our efforts every
citizen is interested. Deatur can and
will raise the amount requisite. Con-
sider it your duty to call on the commit-
tee, and don't wait to be solicited. Al-
ready subscriptions are being proffered.

Home from Europe.
Ex-Mayor H. W. Waggoner arrived
last evening from Europe, after an
absence of over five months. He visited
all the principal points in England, Scot-
land, France, Italy and Germany, and got
back by making the grand rounds. Mr.
Waggoner spent most of today with his
family. He will be on the streets this
afternoon to greet his friends, who will
give him a cordial welcome home.

The Phillips School.
Public exercises were held at Miss M.
B. Phillips' private school, in the Matthe
block, on North Main street, this fore-
noon, and there were quite a number of
visitors present. Miss Phillips' school is
a permanent institution in Deatur, and
all her pupils make rapid progress in
their studies.

Henry Kottman, the oldest butcher in
Deatur, has opened a meat market on
East Wood street, two doors east of
Broadway, where he keeps the very best
of all kinds, and sells the same at
prices lower than the up-town shops.
He is preparing to put upon the blocks
some of the finest Christmas beef ever
shown in the town.

The Rice Party.
To-morrow evening we are to have the
Rice Surprise party in "Pop," a musical
production, spoken of as follows by a
Boston paper:

The plot of the piece is not of the
slightest consequence to the audience,
which finds its enjoyment almost wholly
in the musical and specialty features of
the second act, in which all the dramatic
personae, a dozen or more, disappear them-
selves in the saloon of the steamship
Sixty-six, bound for New York. A benefit
entertainment is to be given for the relief
of the passengers, which exercises the
introduction of the operatic melodies,
recitations, musical sketches and imita-
tions. The "pop" artists are the members
of the Rice Surprise party, and provide
a clever and entertaining time for a true
atlantic voyage. A feature of the enter-
tainment is a chorus of duets by four
young ladies, the music of which is by
Mr. Rice, and which made a pronounced
hit.

All are artists. Admission 35, 50 and
75 cents.

Go to Mrs. Watson's and see the nice
line of trimmed goods at very low prices.

COUNSEL FOR THE COMMISSIONERS OF THE
STEVENS CREEK SPECIAL DRAINAGE DISTRICT

cases made a formal motion yesterday
afternoon for a new trial, and after argu-
ments were made, last evening Judge
Greer granted the prayer of the petiti-
on. The Judge held that probably the
court had erred in giving improper in-
structions to the jury, by which, no
doubt, a verdict was given in favor of
William Schroll and John Sawyer, and
he deemed it proper and right that a new
trial be had. Altogether about fifty in-
structions were submitted for the ap-
proval of the court, but only twenty-three
were allowed to go to the jury. It is not
likely that the cases will be tried again
in the county court, as opposing counsel
will arrange to agree upon a state of
facts and have the matter go at once to
the Supreme Court for a final decision.

Christian County Murders.
The Christian county circuit court will
begin at Taylorville Monday, Judge Zane
presiding. There are 34 criminal, 192 com-
mon law and 91 chancery cases on the
docket. E. T. and John Leigh will be
tried for the murder of Farmer Rigby
over a year ago. The criminal docket
embraces also two cases for rape, three
for assault to murder, and 13 whiskey cases.
Dr. Vermillion, charged with complicity
in the Bond outrage, will have his case
disposed of at this term of court. In the
prosecution for the Rigby murder, Judge
Thornton and W. W. O'Brien will be
prosecutors, and Leigh and his son will be
defended by ex-Gov. Palmer and Hon. J. C. Robin-
son.

An Accidental Drop.
Coming down Main street this forenoon
seated in his light road cart and driving
his three-year-old colt, Mr. R. B. Mont-
gomery met with an accident opposite
Mr. Priest's residence. One of the cart
wheels struck the rail of the street car
track and slid along some distance, when
the axle broke, throwing Mr. Montgomery
and his heater into the street. The colt
got away and went down South Main
street on a gallop. Hereafter Mr. Mont-
gomery will steer clear of iron rails above
the level of the street, and not attempt to
drive over them.

Must Have Made Him Tired.
One of the articles on exhibition at the
Knights of Labor fair is a curious piece
of inland work in a frame, evidence of the
skill of a Lincoln coal miner. The back-
ground is walnut, and with a penknife
the miner whittled out hundreds of
pieces of white pine and imbedded them
in the walnut, making a picture that
attracts much attention because of its
quaintness. There are 412 separate pieces
of wood in the frame. The picture will
probably be disposed of by chance to-
morrow night.

Litta's Diamonds.
Litta's diamonds and expensive jewelry
were at the time of her death, placed in
the vault of the postoffice in Bloomington
for safe keeping. Boothwell, who is a
postoffice clerk and something of a ladies
man, took the precious gems of the dead
songstress from the safe and lent them in
a promiscuous manner to a number of his
family friends. The relatives of Litta
feel highly incensed and are taking steps
to collect the jewelry from the parties
now having wrongful possession of them.

Yes, He'd Better Do It.
The Lincoln Journal is authority for
the statement that State's Attorney For-
rest has declared his purpose not to di-
vulge to the press or people the result of
Prof. Himes' post mortem examination in
the Zura Burns case. We hope Mr.
Forrest will not persist in such an un-
wise course. The press must and will
have the information, and if Mr. Forrest
should undertake to keep it a secret he
will be surprised to see the facility with
which it will get away from him. The
man who is able to keep important infor-
mation from the press has yet to come
upon the stage, and it is not likely that
he ever will. The best thing Mr. Forrest
can do on receiving the analysis by Prof.
Himes is to promptly send a certified
copy to all the leading dailies with his
compliments—Bloomington Pantagraph.

"Article 47" To-Night.
A Pittsburgh paper had the following
to say of Miss Lillian Spencer, who will
appear at the opera house to-night in her
great specialty:

"The Crook," an adaptation of the
popular play, "Article 47," was the attrac-
tion at the opera house last night. Miss
Lillian Spencer, as the Crook, was the
central character, and her rendition an
almost faultless one. She is very hand-
some, bright as a new gold dollar, has
the most expressive eyes, charmingly
frank manner and is, all in all, a
bewitching creature. The role of the
Crook is an extremely difficult one to
portray, but she mastered it. She held
the attention of the audience throughout
several long and deeply emotional scenes
and had many recitatives. The support
was excellent all through, showing signs
of being well and carefully selected. There
is not a member of the cast who is not
deserving of praise. A most special men-
tion is due Miss Marie Fleming for her
clever acting and her splendid singing.
The scenery calls for special commenda-
tion, and more beautiful and appropriate
costumes are not seen upon any stage.
The entire performance was thoroughly
enjoyable, and that the audience appre-
ciated the continued applause which
greeted every telling point and
new scene. Miss Spencer should have
packed houses.

J. N. Tuesday Night.
A friend of J. N. writing from Hinch-
inson, Kan., thus says: "See that J. N.
is properly announced through the col-
umns of the Republican for Tuesday
night, the 20th, at the Court House, and
if the kind people of Deatur cannot as-
semble on that evening, J. N. will see
them later. Subject: Truth and its My-
steries, and How Little We Know. To
sustain his cause the very small admis-
sion of ten cents will be kindly ac-
cepted from the men. Ladies free and cordially
invited to attend. Remember that J. N.
will be here!"

The R. T. of T.
Haworth Council No. 55, Royal Tem-
ple of Temperance, will meet Friday, Nov.
10th, at 7 o'clock sharp. A full attend-
ance is desired. Important business to
attend to.

Wilson Bros' White Dress Shirts, at
B. Stine's.

It is telegraphed that the report that
Carpenter went west with his family is
untrue. He is at his home at Lincoln
and was at work in his office yesterday.

During the time Mr. Burns, the father of
Zura, was there, Carpenter remained at
home by advice of his attorneys. As soon
as he can get his business in shape he
will leave with his family for Norton,
Mass. The detective who guarded the
house has been dismissed. Quiet reigns
everywhere and it is singular how little
mention is made of the case. Says the
telegram: "The people were tired out;
now they seem to have forgotten the
whole matter. The men who were ready
to lynch Carpenter were mostly farmers,
and since they have gone to their work
no feeling of that lawless kind is percep-
tible. Every effort to interview Carpen-
ter is in vain. He follows the instructions
of his attorney in this regard."

PERSONAL MENTION.
J. B. Pettit, of Lincoln, is in the city.
Born to Mr. and Mrs. I. D. Walker,
this (Friday) noon, a son—10½ pounds.
C. W. Snyder has sold his residence
property in Sullivan for \$1,000.
Born to Mr. and Mrs. M. T. Hott, this
morning, a daughter.
Marshall Fred C. Kitch, of Moweaqua,
was at the New Deming last night.
H. W. Kyles is W. M. of the new lodge
of Masons recently instituted at Sullivan.
Mr. and Mrs. J. A. Close and Dr. E.
W. Moore and daughter will spend a por-
tion of the winter in California.
Mrs. F. M. Cox, who went to Spring-
field, Ill., to attend the funeral of her
father, will return home to-morrow.
Delegate Skelly thought called upon
repeatedly didn't make a speech at Na-
tional last night. He was too modest.
George W. Powers states that Powers
& Haworth's shoe and shoe store will
be opened in the Haworth building in a
few weeks.
R. B. Forrest, State's Attorney for Le-
gan county, came over from Lincoln last
night and returned this morning. He
registered at the St. Nicholas hotel.
J. W. Helm, of Indiana, formerly man-
ager of the Deatur W. U. telegraph
office, was in the city yesterday and paid
his respects to Manager Edwards.
C. O. Platt will go to Florida on busi-
ness and pleasure. He has sent ahead a
cartload of corn, apples, potatoes and other
northern products.
Miss Anna Lee Dingos, of Virginia,
and Miss Emma L. Miller, of Baltimore,
Md., arrived in the city this morning.
They are guests of their uncle, Mr. J. B.
Dingos, and family.
Mrs. S. A. Sample and daughter, Dr.
and Mrs. W. F. Sample, all of Grove
City, and P. A. Sample, of Kester, Colo.,
dined at the New Deming to-day.
M. W. Lowenthal, general agent for
Pat Rooney's N. Y. combination—here
Nov. 22—is in the city to-day. Pat has
an entirely new lot of specially perform-
ing this season.
Mr. and Mrs. Silas Packard gave a
pleasant tea party and reception last
evening in honor of Mr. and Mrs. Albert
Barnes. Refreshments were served party
fashion.
D. K. Wilson, of Friends Creek, visited
Deatur yesterday on business. He be-
lieves Samuel Strever is alive and well
and will return home safely from Dallas,
Texas. No one in Deatur, nor none of
his Argentinian friends that we have seen,
have heard anything from Mr. Strever.
W. H. Ennis desires to remain in Deatur
until Christmas, and will do so if the
present dry weather continues; but if a
raw section sets in he will go to Hot
Springs, Arkansas, and stay there awhile.
He will probably spend the colder season
of the winter either in Mexico or in
Florida. His son, Berry H. Ennis, has
gone to Wyoming Territory to spend the
winter.
A busted water pipe on Main street,
in front of Leiby Bros', made much work
yesterday for a part of the city force.
The break was caused by the pressure,
not by the freeze.

Concert.
On Thursday evening, Nov. 22, there
will be a concert in the Baptist church,
given by the best musical talent in the
city, and some from abroad. 16td

A Cordial Recommendation.
Mr. W. H. Smith, of Plover, who is to
give a select reading at the high school
entertainment at the opera house on
Tuesday evening next, Nov. 20th, is thus
strongly commended by Mr. Richard Ed-
wards, late president of the State Normal
University.
It gives me great pleasure to say a word
concerning Mr. W. H. Smith as a public
reader. He certainly possesses rare pow-
er as a delineator of character, and a
quick and correct insight into the pro-
found meanings of our best literature,
both serious and humorous. I cordially
recommend him to audiences who desire
either entertainment or instruction.
Mr. Smith is no stranger in Deatur,
and he will receive a hearty welcome.
Secure seats now at Curtis & Co.'s.

Juvenile Templars.
There will be a meeting at Good Tem-
plar hall, in court house block, on Sat-
urday afternoon at 8 o'clock, for the
purpose of organizing a Juvenile Templar.
Any youth from five to sixteen years old
can become a member. All who formerly
belonged to this organization are re-
quested to attend. A competent super-
intendent will take charge of the organi-
zation, so that parents can safely allow
their children to attend.

MARRIED.
At Springfield, Ill., on Nov. 15, 1893,
by Justice Thompson, Mr. Charles N.
Bloomington and Miss Lucinda Bradley,
both of Deatur.
